SUMMARY

Front-end developer leveraging background in Music Art to create great user experiences on the web and provide best design solutions. Currently earning a certificate in full stack development from University of Central Florida and developing skills in HTML, JavaScript, CSS, Bootstrap, React.js, NoSQL, MySQL, jQuery, and responsive web design. Passionate about developing apps with mobile-first design. Known as a self-driven, committed and always excited to learn person. Looking forward to leveraging all learned skills in the future as a part of a quality-driven team to build better experiences for the users. Proficient in Ukrainian, English, and Russian languages.
